

REMARKS
BY YUN HAI JUNG
FORMER AMBASSADOR TO INDONESIA AND CHAIRMAN OF
KOREA-INDONESIA FRIENDSHIP ASSOCIATION
SEOUL, 12 JULY 2006

Excellencies,
Ambassador,
Distinguished Guests,
Ladies and Gentlemen,

It is a great honor and pleasure for me to receive this prestigious award from the Government of the Republic of Indonesia.

First of all, I would like to express my deepest gratitude to H.E. Jakob Tobing, Ambassador of the Republic of Indonesia and through him, to the Government of the Republic of Indonesia.

I also thank you all present here to congratulate me on this auspicious occasion.

Korea and Indonesia, geographically located in the same region of Asia, have maintained close ties in various fields.

It has developed to the extent that the two Government agreed to sign a strategic partnership accord recently.

Now it is time to activate the people-to-people relationship. Then I am certain that the ties between the two countries would become more solid in the years ahead.

I am on the verge of starting a new life after recently retiring from 38 years of Government service.

Today's award by the Indonesian Government gives me great encouragement.

I am determined to do my humble best to further promote the close ties existing between two countries.

I look forward to your continued support and cooperation

Thank you
